EAST BRADY BOROUGH

3rd QUARTER 2022 NEWSLETTER

East Brady Borough Information

The East Brady Borough Website is updated periodically.

Go to www.eastbradyborough.com

On the website, you can pay your bill online. The day before the next meeting, you will find the agenda for the meeting. They are held the first and third Tuesday of the month in Room 14 of the Community Center at 6 pm.

Notice of Water work

We have a few water projects planned for this fall. We will be flushing hydrants October 11, 12 & 13. You may have reduced water pressure and dirty water on those days. Just let it run for a few minutes and it will clear up.

On Tuesday October 18, we have a company coming to clean our big blue water holding tank. We will have to drain it prior to cleaning. You may have some changes to your water that week but it should not affect the quality or safety of your water. If it does, you will be alerted.

I will be sending out a telephone message prior to the flushing to remind you. If you have given us good contact information– then you will get the message. Hint, Hint....

Renovated Locker Room

Renovations to the “Locker Room” are finally finished. We gutted and renovated the old “Boys Locker Room”. New ceiling, lighting, floors, chairs and Air Conditioning were added. We also paved a large parking area at the back of the building with direct access to that room. It has a full commercial kitchen. There is comfortable seating for 60 people. It would be a great place for a Christmas party. Bring your own food or have it catered! Call the office to inquire about renting the space. You are welcome to take a tour during business hours.

Burning Ordinance

Trash burning must be in a burn barrel.
No burning after 6 pm and no Sunday & Holiday burning.
No burning anything that will cause nasty smoke, and smell.
Campfires are permitted in an enclosed area.
Please be courteous of your neighbors.

EBADC News

The East Brady Area Development Corporation is once again sponsoring **Light Up Night** on Saturday, December 3, 2022. Join us at the Veteran’s Memorial Park at 4:30 for Christmas music, free popcorn, hot chocolate and coffee. Santa always shows up on a firetruck as well! Check out posters and their Facebook page for more events.

Last year they sponsored **Christmas Eve Luminaria**. It turned out beautifully. We are doing that once again. White bags and long life tea candles are available for purchase in the Borough Office. 10 for \$10. You will need to supply some sand or gravel for the base of them. Put them out on Christmas Eve at dark. Then drive around town and see how beautiful our town looks by candlelight. The EBADC will provide the luminaria for the bridge and Veteran’s Park.

Fall Festival

A Fall Festival is planned for Saturday, October 15 from 11-6 pm at the intersection of Water St. and Clarion St. (EB end of the bridge). The leaves should have peak color that weekend! Come join us for food, drinks and Pumpkins.

Leaf Clean-up

The Borough Maintenance crew will pick up bagged leaves. Put them in bags (not too heavy & no garbage or other debris) near the curb in front of your home. The guys will come around and pick them up during the month of October.

Bulldog Football Returned!

In the spring, the East Brady Bulldog Football teams asked the Council if it would be possible to once again use Graham Field for it’s home games. The Council was very supportive. It was a joint effort this past summer painting, cleaning and getting the field ready for their return. Football returned to East Brady on Saturday, September 3rd! The whole town had orange and black paw prints in their windows. You could once again hear the announcer’s voice echoing across the river. Please continue to support the children in our communities! It takes a village to raise good kids.
