**CITIZENS TO SPEAK:** Dave and Marcy Gallagher own a home at 809 Grant Street. When it rains, water runs down School Street behind their house and floods their back yard and then their basement. Discussion followed about possible solutions. The Council said they would have a curb installed to direct the water down the street and not into their back yard. Curb needed at the corner of Robinson and Ferry Streets and also on School Street as stated above. We will have Hiles Excavating do these when they are paving Grant and Rex Hide.
